For Immediate Release

Terramac® Offers Zero Percent Financing Option

Elburn, IL – Terramac, a leading manufacturer of innovative rubber track crawler carriers, is pleased to launch a new 0% financing program for a limited time to assist contractors and other end users who are looking to expand the versatility of their fleet.

All Terramac crawler carrier units in stock are eligible for the 0% financing program and qualified buyers can choose from 24-, 36- or 48-month terms. Inventory is available for the compact RT6, mid-sized RT9, robust RT14 and 360-degree rotating RT14R. Terramac’s standard 1-year, 1,000-hour warranty applies to all new models purchased through the program.

“This 0% financing program is the first of its kind for Terramac and we are excited to support business owners at this time with an alternative purchasing program,” says Jake Rockafellow, Vice President of Finance and Accounting at Terramac.

The Terramac dealer network is ready to accept applications for approval. The 0% financing offer is available in the United States now through August 31, 2020. Other exclusions apply. Please visit Terramac.com for full program details.

Terramac® LLC, based in Elburn, IL, was established to produce the world’s leading crawler carriers. Units are sold through a full dealer network which offers customers easy-to-locate parts and service throughout the world. The units can be customized with support equipment to serve many industries such as pipeline, utility, mining, environmental, general construction and more. To learn more, please visit Terramac.com or call 630-365-4800.
