For Immediate Release

Terramac® Appoints C.N. Wood as Authorized Dealer

Elburn, IL – Terramac, a leading manufacturer of innovative rubber track crawler carriers, expands its representation in the North American market to include C.N. Wood as part of its dealer network. C.N. Wood will represent the versatile Terramac product line in Massachusetts and Rhode Island.

“C.N. Wood is a long standing dealership with an experienced team, who’s dedicated to providing their customers with the best possible equipment, service and support,” says Matt Slater, Director of Sales for Terramac. “C.N. Wood is a welcomed and valuable addition to our dealer network.”

C.N. Wood will offer Terramac’s RT9, RT14 and RT14R crawler carriers to serve a wide range of industries including general construction, environmental and agriculture. In addition to Terramac’s three standard options – convertible dump-to-flat beds (RT9), rock dump beds (RT9, RT14 and RT14R) and flatbeds (RT9 and RT14) – C.N. Wood will offer Terramac units customized with support attachments such as cranes, personnel carriers, water tanks and hydroseeders.

The team at C.N. Wood will provide professional sales, rental and aftermarket support on the Terramac product line across 4 branch locations. C.N. Wood’s dependable representatives will deliver timely service and their parts and service technicians are equipped with state-of-the-art technology to ensure machines are maintained at the highest standard.

“We choose to align ourselves with top line manufacturers that offer value in their products and help our customers solve problems in specific applications,” states Jim Maxwell, General Manager of C.N. Wood. “Terramac does just that. We look forward to making our customers more competitive in their business with Terramac’s versatile crawler carriers.”

C.N. Wood is a family-owned equipment dealership with 50 years of success in delivering reliable service, excellent product support and the finest lines of construction equipment products available. They offer the full line of Terramac crawler carriers for sale or rent, as well as full service maintenance and parts. For more information on C.N. Wood or to find the nearest location, please visit www.CN-Wood.com.

Terramac® LLC, based in Elburn, IL, was established to produce the world's leading crawler carriers. Units are sold through a full dealer network which offers customers easy-to-locate parts and service throughout the world.
