### **Terramac® Expands Territory with Groff Tractor**

*Elburn, IL* – Terramac, a leading manufacturer of innovative rubber track crawler carriers, expands its representation in North America with Groff Tractor’s New Jersey operations.

“Groff Tractor is an authorized Terramac dealer well-known for delivering superior sales and aftermarket customer service to their loyal customer base,” says Andrew Konopka, President of Terramac. “We’re excited to grow our partnership with Groff Tractor and we look forward to much success in the New Jersey market.”

Groff Tractor is offering Terramac’s RT9, RT14 and RT14R crawler carriers to serve a wide range of industries including general construction, utility, waterworks and environmental restoration. “There’s a lot of opportunity for the Terramac product line in New Jersey,” says Sean Collins, Vice President of Sales at Groff Tractor. “Terramac units are extremely versatile and serve multiple purposes on the job, eliminating the need for additional equipment. And with their advanced track technology, Terramac units can effortlessly tackle beach restoration, landfill and water way jobsites with minimal ground impact.”

Since its founding, Groff Tractor has expanded beyond its headquarters in Mechanicsburg, PA to open numerous branches; this enhanced contract takes advantage of the company’s most recent growth into New Jersey. Groff Tractor now provides professional sales and service on Terramac crawler carriers across 10 locations in eastern Ohio, Pennsylvania and New Jersey.

“We’re eager to take advantage of this opportunity and further provide our customers with the value of Terramac,” says Collins.

Groff Tractor is a leading equipment provider with extensive parts availability and an experienced staff of support managers. They offer the full line of Terramac crawler carriers for sale or rent as well as full service maintenance and parts. For more information on Groff Tractor or to find the nearest location please visit [www.GroffTractor.com](http://www.GroffTractor.com).

Terramac® LLC, based in Elburn, IL, was established to produce the world's leading crawler carriers. Units are sold through a full dealer network which offers customers easy-to-locate parts and service throughout the world. The units can be customized with support equipment to serve many industries such as pipeline, utility, mining, environmental, general construction and more.
